Dear Mr. Scott Rosmarin,

One of my program clients, Ms. Vickie Pane, Leader of EPA Region 2's Lead Team, will be available. However, my other program client, Mr. Demian Ellis, is out of the office on vacation. He will return on August 16, 2017. I can confer with him on the 16th as to whether he is still available on August 24th.

I suggest that we hold on our calendars the tentative Thurs., August 24, 2017 date, and 1:00 PM - 2:00 PM time slot, for the in-person informal settlement conference at our Edison, New Jersey Office. If Mr. Ellis is still available on the date and time in question, I will send you a confirmation email with the particulars for the meeting.

Thank you for your continued cooperation and attention to this matter. Please remember if you should retain counsel between now and the time the meeting is scheduled, please provide me with your attorney's contact information. As, all contacts must be through your attorney at that point. Thank you again.

Sincerely,

Melva J. Hayden

Dear Mr. Scott Rosmarin,

It is possible to have an in person meeting with EPA. I offered a telephone conference call thinking it might be more convenient for you since you are located in Monroe, NY. We have two locations, our main New York Regional Office is located in lower Manhattan, New York City. Our other office is located in Edison, New Jersey. However, if the meeting is held in our main New York Regional Office in Manhattan, it would have to be in the earlier part of the day. My program clients will travel from our Edison, NJ office and would need to leave at 1:00 PM to travel back to the Edison office. Or, the in person meeting could be held at our Edison, NJ office, if that office is closer for you to travel to.

Once, you advise me if you would be available on the dates provided in the morning or before 1:00 PM, and in which office you would prefer to meet with EPA representatives, I will check to see if those dates and times are still available for my program clients.

After which, I will send you a confirmation with address, meeting location, proposed agenda, etc.

I await hearing back from you.

Sincerely,

Melva J. Hayden

Dear Ms. Hayden

Is it possible to have a face to face meeting instead of a phone conference?

Thank you
Scott

This email communication is sent to provide you with prospective dates that EPA representatives will be available to schedule an informal telephone conference call with you as you requested to discuss the Complaint EPA issued on June 26, 2017 with regard to the above referenced matter.

Those dates and times are as follows:
